Goodbye for the Summer

Our pool will be closed for the season beginning September 4. We've had a great season and are already looking forward to the next summer!

Watch Your Speed

We've noticed several cars speeding through our community. Please obey the posted speed limit and be aware of children playing and riding bikes.

Maintenance Emergencies

If you call to report maintenance emergency after business hours, please remember to speak clearly, leaving your name, unit number, phone number and nature of the emergency. This will help the technician respond more quickly and more efficiently. Remember, not all maintenance requests require immediate attention. Toilet problems in a one-bathroom home, no water, no heat when the temperature is below 55 degrees or no air conditioning when temperatures are higher than 85 degrees are just a few repairs that are considered an emergency. For a complete list of repairs that constitute an emergency after hours, please contact the office.

The office will be closed on Monday, September 3 in observance of Labor Day, but will reopen on Tuesday for regular business hours.

Falling For Our Residents

As September arrives, the days of summer are nearing an end. Each of you adds to the unique mix of our special community. We may not say thank you often enough, but we certainly appreciate you for choosing to call Springgetts home.

Before Labor Day, manufacturing workers were putting in 60-70 hour work weeks, 6-7 days a week, barely making enough to live. Children as young as five toiled in mills, mines and factories across the country.

Unsafe working conditions, insufficient access to sanitary facilities, breaks and fresh air were hardest on the very poor and immigrants.

We're thankful for those who committed their lives to make working conditions better for all. **Happy Labor Day!**

SAUSAGE CASSEROLE

1 lb. sausage • 6 eggs • 2 c. milk • 2 c. bread crumbs • 1 tsp. salt
1 tsp. dry mustard • 1 c. grated cheese • 1 can mushroom soup • 1/4 c. milk

Brown sausage and drain well. Whip eggs, milk, salt and dry mustard. Set aside. Layer bread crumbs, sausage and cheese in 9 X 13 inch dish (lightly sprayed). Pour egg mixture over the layers.

Mix the can of soup with 1/4 cup of milk and spread over the entire mixture.

Bake 45 minutes to 1 hour in a 350 degree oven. Serve hot. Delicious for breakfast or as a main dish for any meal.

If using for breakfast, mix all together the night before, cover tightly and refrigerate.

The next morning cook in heated oven for 45 minutes to 1 hour. This reheats well in microwave.

READING EVERY DAY

In honor of September's International Literacy Day, we encourage you to read. Read to your children, read for fun and read to learn. This year check with your local schools or in your community to find someone you could coach to read.

Stress reduction, mental stimulation, vocabulary expansion and memory improvement are just a few of the great gains of reading. Carve out some daily time to read to enhance these benefits.

Your local library offers great tips on books of interest and books are free to check out. There are other great options online for free ebooks.

TAG – YOU'RE IT!

National Family Health & Fitness Day promotes family involvement in physical activity.

This is one of the goals of the U.S. Surgeon General's Report on Physical Activity and Health.

Here are some fun ways for every member of your family to get fit.

- Think of some outdoor games you can play together - Frisbee, volleyball, tag, hopscotch, etc.
- Volunteer – and get sweaty doing it!
- Who doesn't like to dance? Boogie down.
- Be a ninja! Go to the woods and climb over logs, jump rocks, swing on low tree branches.
- Clean together – but make it a game.
- Watching TV? Make every commercial a fitness class.
- International Day of Charity is September 5. Find a worthy cause and sign up for their 5K.

PATRIOT DAY

A presidential proclamation stated that 9/11 should be observed as Patriot Day and National Day of Service and Remembrance.

It is in honor of all who lost their lives in the attack on September 11.

Let's pause this day to remember, to love and to serve one another.
